

How It Works:

The 2021 Coupe Du Prestige is offering **two** different virtual categories this year. **Pre-record your dancing or compete live on Zoom! The pre-recorded and live sessions will be run separately, both on Saturday, January 30th. Couples competing in the live category will not be judged against couples in the pre-recorded category.** All videos will be professionally edited, in perfect time with the music & the other couples, and live-streamed in high definition - for free! The entire competition will be judged in real time and curated by our Master of Ceremonies!

Pre-Recorded Events:

1. **Register** - For pre-recorded entries, submit your entry forms (via email) and payments by **Wednesday, January 13th**.
2. **Music** - Once we receive your entries, you will receive an email with music files for all of the dances you enter. You must record your videos using the music we provide.
3. **Videos** - Upload your videos by **Monday, January 18th**. We must receive your videos by this deadline to give our professional editing team time to process and format them. Visit our Video Submissions page for full instructions on how to submit your videos.

Live Events:

If you are competing live on Zoom, submit your entry forms (via email) and payments by **Friday, January 22nd**. During the competition, you will connect your phone to your studio sound system to hear our MC announce your events live as well as the music for your heats!
